

DUES AND DONATION NOTICE

Garland ISD Council of PTAs Dues:

Garland ISD Council dues are \$60 for each unit, payable no later than October 15 as stated in Council Bylaws. These dues help provide services for all the locals. These services include (but are not limited to) training, awards and recognitions, newsletter, and other services as may be needed. Since all GISD locals are located within our council area, they are required to pay dues to be eligible for participation in any Council, State or National PTA programs.

DONATIONS

- **SCHOLARSHIP FUND:** Through local scholarship donations, the Council is able to award college scholarships to deserving seniors at each GISD high school who plan to enter the teaching profession. *We ask that each local include a donation between \$50 and \$100 for the scholarship fund. If your school can donate more our high school students would greatly appreciate it. We also take private donations.*
- **MEDICAL EMERGENCY FUND:** The Medical Emergency Fund was established to assist students whose parents or guardians cannot provide professional health care. All medical referrals are made through the school nurse and approved by the Garland ISD Coordinator of Health Services. Examples of the needs for which the fund is designated are prescriptions, doctor's visits and prescription eyeglasses.

We have a healthy balance in this fund and for the 2021-2022 school year. Therefore, we ask that your PTA redirect the money you would have contributed to this fund into larger contribution to scholarships.

- **SCHOOL SUPPLY FUND:** Each year there are many students in Garland ISD who start school without the necessary supplies to perform their required tasks. The school supply fund was established to help purchase school supplies for these students. A box of supplies is delivered to as many GISD elementary campuses as funds allow before the school year begins. Only necessary supplies such as crayons, glue, notebook paper, pens, pencils, rulers, scissors, spiral notebooks and folders are purchased. After the first day of school, supplies are delivered to individual schools that make requests.

We have a healthy balance in this fund and for the 2021-2022 school year. Therefore, we ask that your PTA redirect the money you would have contributed to this fund into larger contribution to scholarships

Please send two checks, one for dues and one for total donations.
